

The Silver Star

The Church of Christ - shining like a star in Silver City

June 7, 2009

Our Mission:

"To glorify God by being a Christ-centered, Spirit-led church where every 'one' matters."

Ten Principles of Conduct

1. *Does the action violate Scripture?*
2. *Is the action motivated by love?*
3. *Does it take into consideration the weaker brother?*
4. *Does it cause a brother to stumble?*
5. *Does it wound the conscience of another?*
6. *Does it edify?*
7. *Is it evangelistic in nature?*
8. *Does it imitate Christ?*
9. *How does this make me feel toward a brother? Does it cause me to judge, condemn or hold a brother in contempt?*
10. *Does it violate my own conscience?*

Differences....
Romans 14:1-13

KEY BIBLE VERSE: Give a warm welcome to any brother who wants to join you, even though his faith is weak. Don't criticize him for having different ideas from yours about what is right and wrong. **Romans 14:1**

Differences can enrich our relationships. This verse assumes there will be differences of opinion in the church (in disputable matters). Paul says we are not to quarrel about issues that are matters of opinion. Differences should not be feared or avoided, but accepted and handled with love. Don't expect everyone, even in the best church, to agree on every subject. Through sharing ideas we can come to a fuller understanding of what the Bible teaches. Accept, listen to, and respect others. Differences of opinion need not cause division. They can be a source of learning and richness in our relationships.
