The After School Program is in need of additional students. Anyone who is in need of after school care, can contact Catherine Tanner for enrollment information!

"Let the Children Come" After School Care received licensing and is up and running! However, we have to do several things in order to keep that licensure.

One important thing is to show we have the "environment" to care for 24 children – that means having enough equipment (toys and accessible storage) in place before November 15.

We are looking to our church family to help us with the following "Wish List.

We'd love to borrow these things from you for awhile until we are able to purchase our own. (Of course, donations would be appreciated, too.)

Just keep in mind these kids are grades K-5; multi-cultural & durable is good; and, we are teaching character building lessons with Bible verses and stories, so related items are great! Please be sure items are clean & in good condition.

- Smocks / cover-ups / button shirts large enough to fit over clothes
- Books: chapter & picture books, current magazines for elementary age
- Dramatic play: child-size furniture/kitchen appliances, mops, brooms, telephone, large cradle, unbreakable mirrors, clothes for dress-up, dolls & clothes
- Blocks & other smaller, complex building materials (Lincoln logs, model trains)
- LEGO sets / Marbles / Multi-piece Puzzles
- Science materials (telescopes, microscopes, magnifying glass)
 - Nerf Footballs & tees/soccer goals
 - Number/measurement games & puzzles
 - Shelving (about 3-4 feet high)
 - Bean Bag Chairs
 - Small, soft, cozy chairs
- Large Pillows (for lounging on the floor)

Thank you so much. If you have any questions, please contact Catherine, Cherry, or Wanda.
